

# Cricut Workshops: April 1st

## Create your own puzzle with chipboard and printed vinyl

### Purpose

Have you ever seen a puzzle and wondered how you can create your own? After today's workshop, you will be able to create your own customized puzzle to showcase pictures of your friends, family and more. You can even gift your creations to others!

### Agenda

During today's workshop, we will be going over the following:

- How to upload images
- Operations
- Blade Calibration
- Setting up the Cricut Machine for cutting

### Materials

We are excited to see you on April 1st from 2:00-4:00 pm. To prepare, please have the following materials:

- Cricut Machine
- Purple Cricut Mat
- Fine point blade
- Chipboard or Kraft board
- Fine-point blade
- Vinyl
- Puzzle template ([See file download below](#))
- Cricut Design Space (Downloaded and signed in)

## Files to download:

Please download the following files to the device you will be using to operate Cricut Design Space.

- Rectangle Puzzle svg
